

A few jokes I thought would cheer people up in the long days ahead they laughter makes the world go round so let hope it makes time run.

Today at the bank, an old lad asked me help her check her balance (so I pushed her over).

I bought some shoes from a drug dealer.(I don't know he laced them with, but I've been tripping all day)

I told my girlfriend she drew her eyebrows too high. (she seemed surprised)

My dog used to chase people on a bike a lot .(it got so bad ,finally I had to take his bike away)

I'm so good at sleeping .(I can do it with eye closed.)

my boss told me to have a good day.....(.so I went home)

Keep well keep laughing
