MARGARET ECCLESTON , we sadly lost her services in the league early in the season due to the fact that she was pulled over by their dog & badly damaged her shoulder. Having had 3 operations on it ,unfortunately then slid over & has been awaiting another operation since 'lock down'. As if that wasn't bad enough both Margaret & Mike we're diagnosed with the dreaded virus early in the lock down. They are over it now, but took a lot out of them, & took 5/6 weeks to start feeling better. So I would like to wish them well from all of us At County & Clubs.
